Dear Parents

Extra-curricular activities

This term we are running an increased number of clubs. Please see attached timetable.

Some of these are run by outside providers and may incur a charge; they have already started running this term. They are in red on the timetable. **If you have already signed up for these, you do not need to return this slip.**

In addition, our staff will also run some extra-curricular activities. They are blue on the timetable. Spaces are restricted so places will be awarded on a first come-first served basis. Children need to be aware that they are committing to attend the club for the whole term. If your child attends a before-school club and is ill, please ring the school as early as possible and leave a message. If your child attends an after-school club but needs to go straight home before the club for e.g. an appointment, please make sure you have told the school.

If your child would like to attend one of these clubs please check they are in the correct year group and then return the slip provided below. We will endeavour to make sure your child can attend the club they choose but please note there is currently a waiting list for choir. Different clubs for different year groups will be available in the Spring and Summer terms. Once places have been allocated, you will receive further information.

Yours sincerely,

Mrs Edom-Baker
Headteacher
