Dear Parents

Some of you will be aware that we are experiencing a high level of sickness in Foundation Stage with 20 children across the two classes being absent from school today.

We have advised previously that there is a 48 hour policy that the school enforces to ensure that any children returning to school, after a bout of sickness, are clear from any bugs/infection that could potentially be passed on to other children/adults within the school.

It is imperative that this policy is adhered to and that your child DOES NOT RETURN TO SCHOOL BEFORE THIS TIME. If your child has been sick and returns to school before this time, we will ask you to take them home.

We are undertaking a deep clean of the two classrooms and encouraging the children to regularly wash their hands. Please could you talk through the importance of hygiene at home with them also.

Many thanks for your support

Mrs Edom-Baker
