Dear Parents

On Wednesday 12th October your child should have received an application letter for a library card. If you would like your child to be able to take books out of the public library next to school, please complete and return the form to school.

We will be visiting the library on Wednesday on a fortnightly basis (starting with Oak on the 19th October and Willow on the 2nd November), and if you wish your child to take out a book they will need a card. Children without a card will still visit and be allowed to look at books, but will not be able to take them home.

If your child already has a card, please could you ensure it is safely kept in their book bag (in the name card slot or zipped pocket preferably) on Wednesdays.

Many thanks

Mrs Perry & Mrs Forwood
