Subject: IMPORTANT MESSAGE REGARDING MUSIC TUTUITION

Dear Parents

Please find attached a letter from Essex Music Services. From the Summer Term 2018, you are now required to register your child with Essex Music Services (EMS) BEFORE your child can receive any music tuition. Once registered, the school will need to approve your registration, which is done here using the same registration system; you should then make payment direct to the school using www.payyourschool.co.uk as normal. **If you do not register your child with EMS, we will assume that they longer wish to receive music tuition.**

Going forward, nothing else will change and your child will continue to receive tuition from the same teachers on the same day and for the same duration (unless you advise that you wish to change the length of lessons).

EMS have also advised that they are increasing the hourly rate to £30.00 and this increase will be reflected in the renewal letters I will send towards the end of this term. Please note that this amount is still subsidised by around 11% by EMS and remains competitive compared to other similar services provided nationally.

If you have any questions regarding this change, please contact me in the school office.

Mrs Weatherhead
