Subject: OAK BAY – IMPORTANT MESSAGE

Dear Parents of Oak Bay

This week your children will be taught by Mrs Nhanngo. Miss Holme is unable to be with us this week and we have made every effort to ensure that the class will not be affected too much. They have been taught by Mrs Nhanngo before and we have been able to employ her for the whole week. The rest of the Foundation Stage team will be supporting her to make sure the children continue with their usual learning and activities, especially Mrs Thomas, the dedicated Learning Support Assistant for Oak Bay.

Thank you

Miss Hawkes
