Dear Parents

The following classes are swimming next term; we would be grateful if any parents/grandparents could help us out at the sessions e.g. escorting the children to and from the pool. If you are able to help, please let the class teacher or myself know and I will forward the necessary paperwork. If you have not already done so, you will also need to undertake a DBS security check and this can be done in the office with Mrs Harris.

Many thanks for your continued support.

Mrs Weatherhead
