Dear Parents

Your child's class is due to start swimming lessons next term during the week commencing 8th January 2018. We are very lucky to have an onsite facility that allows our children to have swimming lessons, free of charge for one term per school year. We would not be able to do this without the invaluable help given to us by parent volunteers. If you able to spare a couple of hours each week to help escort the children to and from the pool, please let me know. You will require a DBS check and this can be obtained via the school.

If you are interested in helping and can spare the time, please let me know and I can arrange for a check to be undertaken (if you haven't already done one). If there enough volunteers, it may be possible to share the sessions between you. We would be grateful for any help you can offer us.

I have detailed below the days on which your child's class will swim.

Many thanks for your continued support

Mrs Weatherhead
