Dear parents and children of Maple Bay

I just wanted to say a huge thank you for all your thoughtful gifts. I was overwhelmed with how generous everyone was and can't believe how many adorable clothes and accessories I got for the baby. It was very kind of you all.

The class have been so lovely to teach all year. They work very hard and really look for each other. I hope they enjoy the rest of Year 2 with lots of exciting events coming up, including the trip to the seaside.

Mrs Cross
