Dear Parents

We had a wonderful bazaar and I am delighted to advise that an amazing £2530.02 was raised. This amount will help tremendously towards the extras that are not covered by the daily budget and will really make a difference to the learning experience our children receive. A massive thank you to everyone who attended the bazaar and to the countless volunteers who helped prepare, set-up, man stalls and clear away. Without you, all these events would not be as successful and enjoyable as they are. Finally, FONS would like to congratulate the winners of the First Newlands Spring Great British Bake off; we received fantastic entries to all three categories. The winner of the Adults was Colleen Hall, the Junior winner was Elinor McAnerney and the Infant winner was Chloe Barry, a very well done to all three.

Many, many thanks

Helen Huntley
