Dear Parents

The booking has now opened for our parent session about internet safety on Tuesday 17th April 7-9pm. Our presenters – the ‘2 Johns’ – have recently run the same session at Great Leighs Primary School and this is the feedback from one of their parents:

"I was amazed at what my children of primary age can come across on their tablets. I went to the meeting expecting to hear about what could happen when they get to secondary school but everything mentioned (apps and games) was directed towards primary aged children even as young as those in year 1.

The knowledge that John gave was invaluable to any parent and I now know how best to deal with any issues.

A MUST FOR ALL PARENTS WHO HAVE PRIMARY AGED CHILDREN"

(Great Leighs Parent)

I would urge you to sign up for this session – you are guaranteed to learn more about how to keep your child safe online.
