Dear Parents

We are conscious that it is becoming increasingly difficult to dismiss the younger children from the playground at the moment due to the reduced space.

From tomorrow, we are trialling a temporary new system; Year 2 children will be dismissed **direct from their individual classroom doors** at the END of the day and NOT the playground. Due to the lack of space just outside the classrooms, we would ask that all parents of the two classes wait outside on the path as we did on snow days.

However, as there is limited space and the pathways will be being used by other parents trying to get to the other classrooms, we would appreciate you moving away from the area as soon as you have taken your child(ren) to avoid congestion.

This situation will be continually reviewed as the week progresses and would ask that you monitor your emails for any updates.

From tomorrow, Year 1 children will be dismissed from the top playground as before.

Thank you for your continued cooperation.

Miss Hawkes

Head of School
