Dear Parents

Your children will be completing a Big Write task \textbf{in class} this week. \textit{We would like them to write a set of instructions.} Could you please speak to them about what they could write their instructions about. It could be a recipe, a game or instructions on how to make something. Talk them through the stages they would need to write about so that they are prepared to do this in class.

Thanks for your support.

Mrs Clifton and Miss Barnes
