Dear Parents,

We would be very grateful if you could ensure that your child completes the tasks that are set for them on Mathletics each week. We are concerned that a number of children have completed very little time on Mathletics tasks so far this year. We are able to collate all the results and time spent on the tasks so we have a clear picture of the participation levels from each child.

If there is a problem with internet access at home please let us know so that we can find some time for your child to complete their homework tasks in school time. If homework is not completed then we will need to ask the children to stay in during break times to complete the tasks.

The weekly homework expectation is as follows:-

- Mathletics tasks (unless a paper homework is supplied)
- English task
- Reading daily
- Times tables practise

Thank you for your support in enabling your children to make the best progress possible in their learning.

Yours sincerely,

Miss Barnes and Mrs Clifton
