Dear Parents,

As part of our topic next term we would like the children to bring in an oversized, long sleeved, white shirt. This will act as a scientist’s lab coat. As part of their activities, the children will be recording key vocabulary on their shirts which they will be able to take home with them at the end of the topic. Please ensure the shirts are clearly named.

The shirt will be needed for the beginning of the Spring term in January.

Many thanks,

Miss Edwards and Miss Caldecott
