Subject: Pirates of the Curry Bean - DVD Update

Dear Parents

We have made contact with the production company and they are still viewing footage to see if it can be reedited. We have had several complaints from the parents of last year’s Year 6 children and this has delayed copies going out to current Year 6 parents; thank you for your patience. There are some concerns over the content and quality of the filming which we are hoping will be addressed but a lack of communication has meant that we cannot guarantee this. I appreciate that it has been some time since the production took place and you are still awaiting your copy and if you would like a refund, please advise Mrs Weatherhead in the school office.

To avoid any recurrences, we have made arrangements for a different company to film the Foundation Stage and KS1 performance in December.

Kind regards

Mrs Weatherhead
