Subject: Message from FONS – School Disco

Christmas Disco Thursday 19th December

This year we are asking for all payments to have been made by **Tuesday the 17th.**

If you have not paid by then, we will not be accepting any more envelopes/money through any ones door, via office or teachers etc.

Any monies sent in after Tuesday 17th will be given back to your child at school.

Your only option then will be you have to pay on the door, after all the pre paid children have gone through and the door price is £4.00 instead of £3.50.

This decision has been made because of the time it takes to create registers/allergies lists etc. And by giving in the money and slips the day before it takes to much time and FONs members already have their own work on top of the fons work.

So **TUESDAY 17TH** is the deadline for pre-payment. A massive thank you for understanding about this change.

Many thanks

FONs Team
