25th April 2019

Dear parents and carers

Just a few notes for the summer term

- Thank you for all your hard work on the DB Primary blogs.
- Please could children all bring in a sun hat and sunglasses on Monday for a photo.
- As good weather approaches please could children have a sun hat to stay in school and have the long lasting sun cream applied at home in the mornings as it is much easier than having to do it through the day in school.
- Now that the children’s reading is improving we will be changing the reading books on Mondays, Wednesdays and Friday (Just twice on the 4 day weeks).
- Homework continues as before, handed out on Tuesdays, back in on the following Monday.
- Just a reminder that swimming starts on Friday 3rd May. Please see original letter for further details.

Yours sincerely

Mrs Perry
