Gerard Donachie’s 40th Fundraiser
18th February
Chelmsford City F.C

I just wondered if I could ask for your help?

Sadly, my friend’s husband passed away in December due to a catastrophic stroke and as a result was ‘locked in’.

Sarah and her children Callum & Finley (existing and ex-pupils of Newlands Spring School) are trying to raise money for an eye tracking machine to give to Broomfield Hospital ICU to help another family who may find themselves in this devastating situation.

There will be a raffle at the fundraiser and I would like to make up a hamper of gifts for both adults and children using donations from each class and I wondered if you could donate something towards this? Some ideas for donations are smellies, chocolates, alcohol, unwanted new Christmas gifts and maybe sweets and toys for the children. These are just some ideas but the list is not exclusive and I would be extremely grateful for any items you are able to donate.

If you can help us can I ask you to pass your donations to the following people.

Foundation Stage – Helen Huntley
Year 1 – Jessica Dervin, Amanda Barry & Jo Simmons
Year 2 – Kathryn Bates & Vicky Town
Year 3 – Jenni Blackie & Marcia Perkins
Year 4 – Lisa Seager, Dawn Simmons, Maria Ford & Caroline Holmes
Year 5 – Lynnette Tomlinson & Vicky Town
Year 6 – Paula Lecount & Jenni Blackie

Thank you so much in advance

All donations need to be in by 1st February
