27th September 2018

Dear Parents,

This term Year 5 are learning about the Ancient Greeks. We have learnt about Greek food and the clothes they wore.

On Thursday 18th October Year 5 will be holding a Greek themed morning. We would like the children to bring in any Greek food of their choice, which will then be shared and tasted by their class. Please ensure that all dishes do not contain nuts. If you have any concerns about medical issues or allergies, please see the class teacher.

We encourage the children to dress up in ancient Greek clothing for the morning. The children will be learning about traditional Greek clothing so will have more of an understanding of what they can wear for the morning. They will need to bring their school uniform in a bag ready for the afternoon.

Yours sincerely,

Mr Troughton and Mrs Hydes
