Wednesday 20th June 2018

Dear Parents,

The Foundation Stage and Key Stage 1 Sports Day will be on Thursday, 28th June, starting as close to 9.30 as possible, on the school field, weather permitting. The children and staff are pleased to invite you to come along and watch. The children will be very busy working to earn points for their houses. As your child moves around, do feel free to follow, but please do not attempt to distract your child in any way. They will be able to carry their water and sun block around with them.

We will follow the same format as last year where classes will go around together. The children will be placed in their houses by staff and they will be competing to earn house points for their house. The children will be working in the centre of the field and we would ask that you walk around the outside, following your child.

At the end of the morning, all children will be taken back to their classrooms to change back into their school uniform and continue the rest of the school day. Please do not attempt to enter the school premises with your children as staff will need to get them changed ready for the school day to continue and KS2 will be waiting to go out to play after our sports day finishes.

If the weather is bad on the 28th, we have a reserve day of Wednesday 4th July, at the same time instead. We will do our best to give you advance notice of any cancellation. If the weather is doubtful, a decision will be made as early as possible. Any cancellation will be posted on the school web site and a message will be sent by email.

On Sports morning, please would you provide your child with a T shirt in his or her house colour, that is: Dean – red Hatfield – blue Epping – yellow Sherwood – green

They should wear their PE kit into school and bring their uniform into school in a named bag. This will mean that we can start our sports morning activities as soon as registration is over.

Your child may also bring in proper trainers (not fashion trainers) if they wish. Also, please would you ensure that your child has an extra water bottle, sun cream that s/he can put on and a sun hat. All these should be clearly named.

We hope you enjoy our Sports Morning.

Yours sincerely

Mrs D Coulson
(KS1 and FS co-ordinator)
