9th October 2018

Dear Parent/Carer,

Unfortunately, I have had a number of children every week who have not handed in their English or Maths homework. The children's homework is given out on a Wednesday and is due in on a Tuesday.

If you do not have access to the internet, the children are more than welcome to come to the Maths homework club after school every Thursday between 3:15-3:45pm.

If the children fail to complete their homework, they will have to do it during their lunchtime.

If you have any queries or questions regarding homework please come and see me.

Kind Regards

Miss Riorda
