Dear parent/carer,

Newlands Spring Primary School is a proud 3PR school, meaning we do our best to encourage parents and carers to follow the three parking rules (care, consideration and caution). We would like to thank families who walk, scoot or cycle to school and those who park safely, legally and thoughtfully.

Both Newlands Spring Primary School and the South Essex Parking Partnership (SEPP) are always looking for ways to encourage families to travel sustainably and to make the roads around school as safe as possible. To help improve the 3PR scheme, SEPP’s School Parking Liaison Officer, Leah Martin, has asked parents/carers to complete the following survey by 6th March.

Thank you for taking the time to complete this survey.

Kind regards,

Mrs Hawkes, Headteacher

Leah Martin, School Parking Liaison Officer, South Essex Parking Partnership
