21st June 2019

Dear Parents/ Carers

We have had a number of incidents of children having nuts in their packed lunches. Nuts and products that contain nuts are strictly forbidden; several of our pupils and staff have serious nut allergies. Please check the ingredients carefully of the items in your child’s packed lunch. For this reason, chocolate spread is also not permitted in sandwiches as this looks exactly the same as a hazelnut spread.

Thank you for your understanding on this matter.

Yours sincerely

Mrs Hawkes
Head of School
