Dear Parents

Re: Pokemon Cards

After much deliberation the school has decided to ban Pokemon cards for children in Foundation Stage, Years 1 & 2. Children in KS2 can continue to bring their cards into school but only to trade at break times and within their own year group.

We appreciate that there are some benefits for the children owning and trading cards e.g. negotiation, value or worth, however it is apparent that many of the younger children are not able to understand how to trade fairly and are being taken advantage of.

We have had an increasing number of issues arising between the children and also with cards being lost which has led us to make this decision.

Thank you for your cooperation with this.

Yours sincerely

Mrs Edom-Baker
Head Teacher
