Dear Parents

In view of the adverse weather that we continue to experience and are due to see overnight, we have taken the decision to keep the school closed tomorrow, Friday 2nd March.

Despite the staff’s best efforts to make the site safe, it has not been possible to clear the pathways and playground sufficiently to allow safe passage to/from and around the school. We have not taken this decision lightly and careful consideration was taken of the safety of our children and staff. The safety of the school community is and always will remain of paramount importance to us and will never be compromised.

The teachers continue to set homework, where possible, on DB Primary and I would encourage you to keep reading with your child, practising times tables etc. where you can.

As always, I would like to thank you for your support and understanding. I hope to see you all back in school on Monday and offer my sincere apologies for any inconvenience that will be caused following our decision.

With kind regards

Miss Hawkes
Heads of School
