Dear Parents

As part of the computing provision at Newlands Spring Primary School, I am delighted to share with you that this year the Year 5 classes will be trialling the use of Seesaw (http://seesaw.me), a secure online journal.

Seesaw is a journal where children can document and reflect on what they are learning. Your child will be able to add the things we work on (including photos, videos, worksheets and drawings) to their seesaw journal.

In order for your child to use Seesaw, the app will need your child’s name in order to be able to associate work like their photos or voice recordings to their account. Seesaw only uses this information to provide the service and doesn’t advertise in Seesaw, create profiles of pupils or share or sell your child’s personal information or journal contents. You can read more about their strong privacy promises here: https://web.seesaw.me/privacy.

To comply with data protection regulations, we need your permission to create an account for your child on Seesaw.

Under GDPR we are also required to inform you that Seesaw Learning Inc. is a USA based Third Party provider and its use will require data to be transferred and processed outside of the EU. Newlands Spring Primary School has verified that Seesaw is GDPR compliant and that has been certified under the US-EU Privacy Shield Framework.

Please sign and return the permission slip below by Friday 19th October 2018. You may withdraw your consent, in writing, at any time.

All data will be used in accordance with the School’s Privacy Notice, a copy of which may be found on the School Website. You have the right to object to the processing of your data even if it is based on our legitimate interest or the exercise of official authority
