SEND
(Special Educational Needs and Disability)

Maggie Loveday (Autism Specialist Teacher) will be visiting Newlands Spring Primary School to offer training and her expertise of 'The Zones of Regulation' especially for parents. Any parent is welcome to attend.

The Zones of Regulation is a curriculum used to teach children self-regulation and self-control in their behaviour. It gives children strategies or tools to help them move between the four coloured 'zones' which are linked to their states of alertness and emotions. It is an evidence based intervention that is recommended by Specialist Teachers and Newlands Spring now use it across the school.

Zones of Regulation Training
Maggie Loveday (Autism Specialist Teacher)
