Dear Parents

Chelmer Valley High School have advised us of an incident that took place close to their school. Earlier this week, an Asian male approached a female student at the Court Road Bus Stop and attempted to coerce her into a blue Toyota Yaris. The man is described as around 30 with short hair.

Could we ask that you again reiterate the principles of 'Stranger Danger' to your children particularly if they walk to and from school independently.

Many thanks

Miss Hawkes
Head of School
