8th March 2018

Dear Parents

Following last week’s school closure and subsequent cancellation of World Book Day, I write to advise that this has now been rescheduled for Thursday 29th March, the last day of term. Children are invited to come dressed up in costumes representing a character from their favourite book; they will also participate in the activities we had already planned. Pine Bay (Mrs Davis' class) are due to swim that afternoon and this will go ahead as arranged.

You will also be aware that we have another event that same week. On Monday 26th March, Elinor (Year 5) is raising awareness and money for ‘The Daisy Garland’, an epilepsy charity. Children can wear an item of clothing in purple for the day with their school uniform in exchange for a donation. She is hoping to raise money for a night time monitor that can detect when someone is having a seizure.

We are conscious that two events in one week can cause extra expense but hope that as World Book Day was already due to go ahead, most of you will have your costumes ready and there will not be any additional cost to the family. Please do not go to the trouble of purchasing expensive costumes, one made from existing clothes and items already in their wardrobe will suffice. A donation is not required on World Book Day.

Regards

Miss Hawkes
Head of School
