Subject: Year 1 – English Work

Dear Parents/Carers

Please could parents/carers and children collect any leaflets or information about any days out they have during half term. If there are any photographs that you would be happy to share with us, these can be emailed into the school office, reception@newlandsspring.essex.sch.uk or sent in on the first day back. We will be using these to support our English work during the first week back.

We really appreciate all your support and hope you have a lovely half term.

Year 1 Team
