Friday 29th March 2019

Dear parents

Next week in year 1 we will be having a castles week to finish off our topic. We will be using the afternoons to complete the following activities.

- Castle making
- Paper weaving
- Candle holders
- Crown making

Please could we ask for any boxes, large and small, cardboard tubes and egg boxes. We will be using these to make our castles.

The children have really enjoyed our topic of Dungeons and Dragons and have been working so hard designing their castles we want to give them a chance to make their chosen design.

Boxes can come in between now and Thursday 4th April.

Thank you for all of your support this term.

The Year 1 Team
