Firstly, we would like to thank you for your lovely gifts and cards for Christmas, we really do appreciate them.

Our topic this term is Dungeons & Dragons

We will be learning about:

- Castles and castle life
- Castles around the UK
- The different types of castles
- We will be reading dragon stories
- Writing letters and stories
- Asking and answering questions
- In art we will be creating dragon and castle art
- We will be designing and making castles, shields, pottery and textiles

Maths

We will be continuing our work on place value, addition and subtraction, numbers and measures.

P.E

Indoor P.E will take place on Tuesdays for both classes this term, indoor P.E will be Yoga for all of our children, and outdoor P.E, on Thursdays, will be games.

Homework

Reading

Reading books will continue to be changed on a Monday, Wednesday and Friday so please ensure your child has their book, diary and bags in school. Reading diaries are collected to count how many reads your child has completed at home. When counting the at home reads we count 1 read per day for at home read. This is done during one of the book changing days.

Maths

A large part of our in school learning is about the number bonds to 10. There are games and activities online at ICT games that can help the children learn their bonds for numbers to 10.

Homework will come out on a Friday and back into school on Wednesday.

Please remember that the children need to be lined up in the playground at 8.45 and once they are in line, and the teachers are there, we would ask you go leave the playground so that we can get all of the children into the building with as little disruption as possible.

We would like to thank you for your continued support.

Year 1 team
