Subject: Year 4 – Homework and Cooking

Dear Parents,

For Homework this week we would like the children to spend some time on Times Table Rockstars for their Maths homework. For English homework we would like them to create a Christmas wordsearch (that another member of the class will solve). We will send home some squared paper for them to use for these.

Lastly, we are going to be making veggie fajitas with children next week as part of our work in D.T. We really need your help! If there are any willing volunteers to help with this we would be extremely grateful. Help would be needed on Wednesday morning (Mrs Clifton’s class) and Thursday morning and afternoon for Miss Carpenter's class.

Thank You!
Mrs Clifton and Miss Carpenter
