29th November 2017

Dear Parents

D.T. Project – Christmas Stockings

As part of our D.T. topic this term we are making Christmas stockings. We will provide green and red felt for the stocking templates. If your child would like to bring in anything extra to decorate their stocking, then please bring this in on 11th December, in a bag, with their names clearly visible.

The current measurements for the stocking are:

65 cm by 45 cm

So, if they would like their own material for their template will need to be this size!

Many thanks

Miss Edwards & Mrs Hydes
