14th November 2017

Dear parents

After school yesterday we held a meeting to advise year 5 parents of a possible additional school trip. In year 5 we already plan and offer a variety of experiences and activities to support and enhance the National Curriculum.

In addition, the deposit for the year 6 residential trip is payable by the end of the summer term and last year this was £51.

We held the meeting to share the possibility of running a day trip to France in the Spring term for year 5. The children would visit a traditional French market, practise their French by buying a snack, visit a War Cemetery (in preparation for their study of WW2 in year 6) and end the day with a visit to a sea life centre/aquarium (links with their Really Wild Show topic). The cost for this trip would be a voluntary contribution of approximately £38. As with any trip, the trip would not take place if insufficient contributions were received.

Please indicate below if you would like us to offer this trip and if you would be willing to make the voluntary contribution. Slips to be returned by 25th November.
