8th January 2018

Dear Parent/carers

Year 6 have been offered the exciting opportunity to meet Paralympic gold medallist, Danny Crates.

On Friday 19th January we will be travelling by coach to Boreham Junior School where Danny Crates will be delivering an inspiring talk about his experiences as a Paralympic athlete and Growth Mindset, which the children have been introduced to this year.

This will take place during the morning and children will be back in school before lunch, therefore they do not need to bring anything with them.

The cost of the trip will be covered by the school and therefore there is no charge.

Please return the slip below to school by 17th January.

Mrs Rusby and Miss Carpenter
