15th June 2018

Dear Parents/Carers

On Monday 16th July 2018, Year 6 will be having a puberty and sex education session in school. The year group will be split into gender groups but will cover all the same topics. This is an important part of the national curriculum and we feel that all children will benefit from learning about the following:

- Physical and emotional changes during puberty for both boys and girls
- Menstruation
- Sex education discussing different terminology and reproduction (physical and emotional aspects)
- Giving consent and peer pressure

We will be allowing children the opportunity to ask questions anonymously prior to the session and we will answer the questions that are appropriate.

On Monday evening after the session, please take the time to discuss with your child any questions that they may still have.

We understand that this can be a sensitive issue so if you wish for your child to be withdrawn from this session, please send a letter to your child’s class teacher. If we do not receive a written letter we will assume you are happy for your child to participate.

Yours sincerely

Miss Carpenter and Mrs Rusby
