Re: Message to Year 5 Parents

Dear parents,

It was so lovely meeting our new classes this week and we are both really looking forward to welcoming them back in September! We hope you are all able to have an enjoyable break and spend some quality time as a family without the challenge of trying to manage home schooling at the same time. We know how challenging it has been for parents.

There are two things you can do that would be excellent preparation for Year 6 - Please encourage your child to keep times table skills alive over the holiday - and learn any times table that they are not sure of - so that they can begin the Y6 maths curriculum full of confidence. An ideal way to practise these would be to use times Table Rockstars. Secondly, ensuring children are reading regularly throughout the holidays and discussing their reading with you.

Have a wonderful summer!

Mrs Rusby and Mr Troughton
